## SHIRTS

### PD001 - POSI BOX TEE

WP: 10,90 EUR RRP: 24,90 EUR

Positivity = prosperity: the simple print on the chest has a clear message. But, the star attraction of this shirt is hidden on the back where the two Pink Dolphin logos are combined in a colored print. The plus sign that has represented the brand's positive vibe since the label was founded is combined with the dolphin, Pink Dolphin's legendary "heraldic animal".

### PD002 - 8-BALL REFLECTION TEE

WP: 10,90 EUR RRP: 24,90 EUR

As a tattoo, as a patch or as a print – the billiard ball with the number 8 is inseparable from Californian street style. On this classic-cut T-shirt, the cool symbol is a shiny metallic print with large Pink Dolphin lettering – discreet on the front and unmissable on the back.

### PD003 - PLUMAGE TEE

WP: 10,90 EUR RRP: 24,90 EUR

### PD004 - YING YANG TEE

WP: 10,90 EUR RRP: 24,90 EUR

It's the balance of opposites that makes life interesting – Pink Dolphin's philosophy is pretty much in line with the idea of Yin and Yang. This is also reflected in the logo prints on this classic T-shirt – two dolphins form the yin yang circle, surrounded by the Pink Dolphin lettering in an Asian style.

### PD005 - LEVEL UP TEE

WP: 10,90 EUR RRP: 24,90 EUR

Waves, a dolphin and the Pink Dolphin plus sign – the comic-style print on this classic T-shirt gives the brand's emblems a completely different look. Printed small on the front at chest pocket height and large on the back, this one's definitely impossible to miss.

### PD006 - SUMMER WAVES TEE

WP: 10,90 EUR RRP: 24,90 EUR

The Pink Dolphin logo with two dolphins leaping from the waves has long since become an unmistakable trademark for the casual California lifestyle. On this classic-cut shirt, it is reinterpreted as a large print in muted colors on the front, while the back is adorned with the brand's original logo on the neck.

### PD009 - ELECTRIC WAVES TEE

WP: 10,90 EUR RRP: 24,90 EUR

The 80s are back, and they've brought a very stylish shirt with them. The familiar waves of the Pink Dolphin logo are not an image, but are instead depicted as a word, written in 80s-style neon colors. The back of the shirt bears the original logo in Japanese lettering.

### PD010 - SUPPER TEE

WP: 10,90 EUR RRP: 24,90 EUR

Pink Dolphin with a difference. Instead of the familiar symbols, this cool shirt features only the word "Dolphin" and a comic-style graphic. The original logo adorns the back of the classic-cut shirt as a small monochrome print.

### PD011 - AQUA FLAME TEE

WP: 10,90 EUR RRP: 24,90 EUR

Fire meets water in the large print that graces the back of this classic T-shirt. The typical dolphin from the Pink Dolphin logo is in flaming green and framed by the Pink Dolphin lettering. Another smaller dolphin print on the front completes the look.

### PD012 - POCKET P TEE

WP: 10,90 EUR **RRP: 24,90 EUR**

This classically cut T-shirt does away with brand logos and lettering. And yet it is by no means understated thanks to the large multi-colored print on the back with the Pink Dolphin plus sign and the smaller "PD" as a colored front print at chest pocket height.

### PD013 - CLUB CREST TEE

WP: 10,90 EUR **RRP: 24,90 EUR**

Join the club! This classic T-shirt is a clear commitment to the casual California lifestyle. The essential elements are all there: the two dolphins and the waves with Pink Dolphin lettering on the front. Another smaller logo print on the neck completes the casual look.

### PD014 - LETTERBOX TEE

WP: 10,90 EUR **RRP: 24,90 EUR**

The color print on this classic T-shirt is understated and very stylish. The Trendy letterbox format graphic shows the jumping dolphin as a symbol of the Pink Dolphin philosophy. On the back, another smaller logo print on the neck completes the casual look.
